

Council Resolution 13 (CR13) Circulation of DAC State of the Campus EDI Report

WHEREAS GSAUCSD's Diversity Advisory Council (DAC) has accumulated a large amount of quantitative and qualitative data over the 2015-2016 academic year on the current campus climate and graduate student experience in the realms of race, class, gender, citizenship status and other identity-related positions;

WHEREAS the DAC has produced an extensive report on its findings, titled the [State of the Campus Report: Equity, Diversity & Inclusion Affairs 2015-2016](#)¹ that pulls its information from a year of surveys, town halls meetings, administrative/faculty/grad meetings and other information-gathering opportunities;

WHEREAS the DAC believes its findings should be revealed in totality to all administrative and faculty organizations/individuals whose work on this campus affects the lives of graduate students as well as to all graduate students;

BE IT RESOLVED that GSAUCSD supports the necessity for all graduate students, institutional staff and faculty to have access to this report via email, the GSA website and other recommended modes of transparent communication with the UCSD community;

BE IT FURTHER RESOLVED that GSAUCSD requires UCSD's administrative entities — specifically including but not limited to Dean of Graduate Division, the VC SA, VC EDI, EVC AA, Chair & Vice Chair of the Academic Senate, Chair of Graduate Council, Chair of Committee on Diversity & Equity — to discuss the concerns/solutions detailed in this report in meetings with a group of graduate students — specifically including but not limited to, the GSA President, GSA VP Academic, GSA VP EDI, International Graduate Student Workgroup co-chairs, DAC co-chairs and Lumumba Zapata Collective² representatives;

BE IT FINALLY RESOLVED that GSAUCSD requires a detailed written response from Graduate Division and the VCs named above to the findings and solutions detailed in this report. This response must outline each administrative action planned in relation to
