

## GSA Standing Rules

### I. GSA Policy for Listserv Communications

The GSA Representative listserv (gsareps-l, hereafter “Rep List”) should serve as the internal communications channel for Council Representatives, as well as the priority channel for disseminating timely and important information to representatives and their constituencies. To that end, communications on the Rep List should be limited to:

1. Internal discussions amongst Council Representatives, as pertaining to Council business, operations, and agenda items;
2. A forum for dissemination of information to the representatives’ constituencies, when approved by:
  - a. The VP of Campus Affairs or the Chief of Staff, for items not appearing in the GSA Digest or determined by the Executive Committee to be of paramount importance to all graduate students; or
  - b. The Chair of the Student Affairs Committee, for items not appearing in the GSA Digest or determined by the committee to be of paramount importance to all graduate students; or
  - c. The GSA Council, for items not appearing in the GSA Digest or determined by the Council to be of paramount importance to all graduate students.

The GSA Announcement listserv (gsa-announce, hereafter “Announcement List”) should serve as the public forum for dissemination of info about other student groups and programming. This listserv is an opt-in communications channel, and graduate students should be informed of its purpose. To that end, the GSA should advertise the list in it’s regular digest communications, and communications on the Announcement list should be limited to:

1. Regular or singular postings of UCSD student group events;
2. Regular or singular advertisements of UCSD student groups and organizations seeking new members;
3. Singular advertisements or promotions of non-UCSD affiliated events, opportunities, and resources when approved by the VP of Campus Affairs or the Student Affairs Committee;

## GSA Standing Rules

4. All communications to the gsa-announce listserv are moderated for appropriate content by the GSA Chief of Staff, and must allow for up to 3 business days for processing time before approval.
