**Other Considerations / Additional Comments**
New Student Welcome Party is a traditional event that CSSA hosts every year. This tradition has started several years ago and was very popular among the new comers. It offers a great opportunity for the people who just come from China to get to know each other and the school and its surrounding environment. Last year, almost all the attendees were new UCSD graduate students. Expected attendees for this year is about 400 people since the number of students got accepted to UCSD is increasing every year. We much appreciated generous support of GSA and now do appreciate the committee's support to hold this year's New Student Welcome Party.
