Event Description:

We are proposing a "Parents' Night Out" pilot program that will offer respite childcare resources for UCSD student parents. Modeled on the success of similar "Parents' Night Out" events at UC Irvine, this program seeks to improve the health, well-being and campus experience of student parents at UCSD by creating a sense of community and belonging. The childcare resources will provide student parents time to: community-build, improve their mental health, and engage in research or social activities from which they may typically be restricted by their responsibilities as parents. The children will enjoy a four-hour supervised program consisting of: 5:00-6:00 PM—Check-in and supervised playground time 6:00-7:30 PM—Dinner and craft projects 7:30-9:00 PM—Children's film screening 9:00PM—Check-out Student parents will pick-up their children and complete participant survey forms at the conclusion of the program.
