Event Description:

Holi is an Indian Festival of colors. UCSD AIGS has been celebrating this event in the past and has been very popular amongst all students, especially students with kids and families. The event begins with people playing with water soluble and powdered color followed by a special Indian lunch. . This annual Holi party from AIGS serves two main objectives; it is a large gathering of mostly Indian graduate students to celebrate an important cultural occasion. More significantly, this is one of the few events on UCSD campus when graduate students from different cultural backgrounds / countries get a chance to celebrate a unique Indian festival and eat traditional food.
