Event Description:

Nowruz (meaning "The New Day") is the name of Iranian/Persian New Year in Iranian calendars and the corresponding traditional celebrations. This ancient Iranian festival is celebrated all over the world by Iranians. Hence, as the Iranian Students Community Representative at UCSD campus, we would like to be a part of this world-wide celebration and promote the Iranian culture at UCSD. Moreover, in comparison with other celebrations in town, it is a free entry event for all to make sure nobody is alone at the new year's eve. The event program and set-up: This event will have 2 sections. First section is dedicated to socializing and CISTA board members will give an extensive description of Nowruz history and tradition in Iranian Culture. Following that, there will be DJ playing Iranian songs and a dance floor will be available for people to enjoy Iranian Modern dance.
