Event Name	<input type="text" value="Communications Department Lounge"/>		

Event Description:

The Communication Department's Lounge Area is located on the second floor of the Communication Building. It currently has a bookshelf, small couch, table with six chairs, one recliner and two pieces of art work donated by former graduate students of the department. There are currently no appliances. The floors are concrete. Oftentimes smaller-sized graduate seminars are held in this lounge. We would greatly appreciate any funding for lounge improvements.
